Christmas is a time to celebrate hopes and dreams. As is our tradition at Ripley Publishing Company, we are proud to present some of the letters we have received from our area children, sharing with us their hopes and dreams for Christmas and what presents they would like from Santa, including spelling mistakes and punctuation errors. We hope you enjoy them. We want to wish everyone a Merry Christmas and a Happy New Year!

Dear Santa,
We are so excited for Christmas. We put lights on our tree and on our house so you can see it from the sky. My sister, Addilynn and I want to make cookies for you. We are going to put red sprinkles on them. We will leave some carrots for your reindeer. I have been helping my mom and dad with my little sister Addi and my baby brother Neil. Addi has been trying to sit still in church like me. This year I would like some big crayons and a Barbie. Addie wants a barn with animals in it. Neil probably wants diapers. We will do our best to be good.
