## Paige Ledford named MVP

Jac-Cen-Del junior forward Paige Ledford was named Most Valuable Player at the girls 2020 Ripley County Tournament. Ledford had back-to-back double-doubles in the tourney. She scored 13 and pulled down 10 rebounds in the first game and had team high numbers of 20 points and 12 rebounds in the final. Ledford has it all - she can score inside and out, rebound, handle the ball, and defend the post.

Ledford said it was her team's ability to find the best shot possible on their offensive sets that made the difference in the game. "We played really good defense," she also added.

Of her teammates, Ledford said, "I'm proud of everyone," and credited them all for sticking together.

## Peyton Wert named MVP

Milan junior guard Peyton Wert was named Most Valuable Player at the boys 2020 Ripley County Tournament. Wert led his team with 15 points in the final game and scored 17 in the opener against Jac-Cen-Del. He is a key ball handler for the Indians this season and possesses the speed to leave defenders in the dust on his way to the basket, where he has the ability to score or pass off for an assist.

"Discipline," is what made the difference in the final game according to Wert. He said his team showed discipline in knowing when to push the pace and when to slow down and stay under control.

When asked how it felt to be on the first RCT winning team in 60 years, Wert replied, "I can't even explain it. It's surreal." Then with a smile, he was off to celebrate with his team.
