## Vendor Spotlight

*“The market is something new for us and we have had great success and a ton of fun.”*

*-Amanda Cox, AC/EC Bath Bombs owner*

Amanda Cox and her husband Errick, of Batesville, started AC/EC Bath Bombs in September 2019 after she learned there was a market for what had been just a hobby. Before bath bombs became her full-time job, Amanda was a dietitian in Columbus.

“It is a huge blessing to our family and we enjoy

every minute of it. We are forever grateful for what this business has become,” said Cox of AC/EC Bath Bombs.

She left her dietitian role when she and Errick welcomed their fourth child into the world. Their kids are Billy (11), Allie (9), George (5), and Tiffany (4).

“We try to have a variety of options every Saturday,

but if we don’t have what you’re looking for we do take custom orders. We can also ship anywhere. Please come check us out even if it’s to say hello!”

**What kinds of products do you carry?**

We carry bath bombs, shower steamers and our newest product is toilet bombs. Bath bombs are great for all ages and not just for kids. We do fun shapes and scents to make it fun for the kids, but also relaxing scents for the adults. Shower steamers are very popular among the adults, these sit on the floor of the shower and as the water hits them the aroma of the essential oils/fragrance and menthol fill your shower and really open up your sinuses for a relaxing shower. Toilet bombs fizz like a bath bomb and help clean your toilet, they have been a huge hit so far.

**How did you get started producing this product/these products?**

I started out making these for our kids, but after seeing how popular they were, I decided to test the waters by selling them. I would sell sample sizes and see how they would go. After some great feedback I decided to continue with a larger variety of scents and sizes.

**Why do you choose to sell at the local farmers market? What is your favorite part about selling in this type of environment?**

Our biggest reason to sell at the market was because we don’t have an actual store front, we make these out of our home and use porch pick-up for customer orders. It’s nice to be able to put a face to a name since we have little to no interaction AC/EC.....Con’t Pg. 9

## MARK YOUR CALENDARS: SURVIVORS DAY CELEBRATION!

Every year on the first Sunday in June, communities across the world gather for National Cancer Survivors Day to celebrate those who have survived, inspire those recently diagnosed and offer support for families when they need it most.

Join Margaret Mary's Cancer Center on Sunday, June 6 from 7 to 8 PM as we honor survivors and remember those we've lost. Yard signs will be displayed along the Margaret Mary Health & Freedom Park walking path (located on Six Pine Ranch Road behind the MMH Cancer Center) for the entire month of June in honor or in memory.

We hope to see you there!
