"Our athletes have worked extremely hard and advancing to the semi-state in a no-class sport for a small school speaks volumes about this accomplishment. We are proud of the South Ripley Cross Country program. We have advanced individuals to the semi-state in eight of the last 10 years, including one that advanced to the state meet for the first time in school history. South Ripley is extremely proud of Deborah Murphy and Lanie Nicholson for this special accomplishment. This is Deborah's first time qualifying for semi-state and Lanie's third. Lanie placed third overall at Franklin Community Regional Meet this past Saturday. The Lady Raiders are excited and ready to represent South Ripley well!"
