"I am extremely proud of how hard these young men worked this season. They came into the season with a desire and passion that told me we would have a good season. Each and every young man played a part in making this a historic season for South Ripley Mens Soccer. This season was bitter sweet for me as a coach. This current group of 8 seniors I have been coaching them for the last 6 years. I coached them both years of middle school, and when I took over the high school program they moved up as well. I have had the privilege to watch this group grow and mature into outstanding young men. I will truly miss them and I look forward to see what they do with their future. Zach Gentile ended the season with 51 goals which is the most for any high school soccer player in the state of Indiana. That is an outstanding accomplishment and is a tribute to how hard he works off the field. Any good goal scored has to have good players to feed him the ball and set him up for the goals. Ben Miller ended the season scoring 15 goals, and assisting 27 goals which is in the top 5 for the state. Luke Cranfill received a exemptory sportsmanship report; which a great recognition to how he and this team feels about the importance of having positive character on and off the field. Logan Betz, another senior, was a vital part of our team. He was one of our best kept secret. With his lightening speed he out ran most of our opponents. Bryan Carpenter and Ryan Miller helped keep our opponents at bay with their strong stance. While we had many stand outs, our success is a result of having a team with hard-working ethics and an outstanding first character."

About Zach:

Zach Gentile, South Ripley Soccer Record Breaker, will be going to college, although he hasn't made a final decision on where he will be attending. He is leaning towards education for his major and wants to move back to Versailles after he secures a degree. No permanent decision has been made, but he does want to be a part of his community after college.

"If I could play soccer - that would be a bonus!"
Zach Gentile

The team won the Panther Cup and Coach Mo Pride Trophy. The team tied the conference and finished 14-1-4 for the season. Conference finished 8-0-4.
