ATTENTION PUMPKIN GROWERS

Pumpkin growers, bring your giant pumpkins to Gilpin Monuments on Saturday, September 30, between 8:00 a.m. and 10:00 a.m. Gilpin Monuments is located at 610 S. Adams Street, one block south of the stoplight, in Versailles. All pumpkins will be on a trailer and will follow the parade at the end. Pumpkins will be weighed at the stage, where the winners will be announced by Jeff French. Rules for the giant pumpkin contest are as follows: 1) Pumpkins must be grown by the exhibitor. 2) An exhibitor can only enter one specimen per class and there can only be 2 entries per family (household), but only one entry will be eligible for an award. 3) All shrink wrap or any other type of covering or wrapping on pumpkins must be removed from pumpkin immediately after arrival or it will be disqualified. 4) Chemical residues and soil must be cleaned from the pumpkin surface prior to arrival for the protection of lifters and spectators. 5) Each pumpkin must be sound, healthy and undamaged. 6) Entries must be free of rot, holes and/or cracks through to the interior of the cavity, chemical residues and serious soft spots. Cracks, holes and openings shall be free of any foreign material. 7) The judges will probe any crack, hole or holes and/or opening into the pumpkin which visually appears to extend into the interior cavity. A 36” by 1/16” probe will be used to probe any suspect cracks, openings or holes. Probe will be provided by the judge. 8) An opening where the probe meets no resistance into the interior cavity will disqualify the pumpkin from the competition. 9) The judges will supervise weighing and have the right to fully inspect all entries before the official weight is announced. Refusal to allow thorough inspection of the pumpkin will result in disqualification. 10) Pumpkins must clear the scale in sound condition in order for the weight to be official and to be eligible for prize money. 11) Length of the vine coming from the stem shall not exceed more than 1”. 12) In the event of ties, prize money for that placing will be combined and split equally. 13) Pumpkins are to be on display before and during the weigh off for spectators to enjoy. 14) The decision of the judges is final.

Large lot to help with parade day parking

Off street overflow parking has been arranged for those attending the Versailles Pumpkin Show on parade day Saturday, September 30.

A large grass lot has been made available by McGuire Leasing LLC. Turn south onto an unnamed street that goes to the Department of Child Services offices.

This large grass parking lot will hold a large number of cars/trucks for those wishing to attend the Pumpkin Show parade and are unable to find street parking.

The access entrance to this parking lot is halfway between Crossroads Restaurant and Quickpix Gas Station on US 50 on the west side of Versailles.

Signs will be posted to assist motorists in locating the entrance to this parking lot. Once patrons are parked they are asked to walk a short distance north to the John Paul Street junction with US 50 and cross at that location only.

Versailles Lions Club members are working with the Town of Versailles to have this parking lot well maintained. Parking at this location is free.

Also, keep in mind that street parking will be limited on the west side of Versailles on parade day because of the space needed to stage numerous float entries and to have parking available for out of town band buses.

History of the Versailles Pumpkin Show

(Written by the late Alan Smith)

The Versailles Pumpkin Show was the “Brain-Child” of Alfred F. Beer, early watchmaker and jeweler located on the west side of the Versailles square. Beer was Versailles’ first entrepreneur businessman, who after trying several advertising schemes, finally staged his successful October 14, 1899 “Pumpkin Show.”

To promote his jewelry store, Beer offered five prizes: first prize was a gold-filled watch, this was won by Geo W. Watkins for his 74 pound, 5 ounce pumpkin; second prize was given to Henry Stegemiller for a 68 pounder, Henry received a gravy ladle; third prize was won by Chris Thomas of Cross Plains with a 64 pound pumpkin, and he was awarded six silver teaspoons; Osgood’s Thomas Wilson took fourth with his 5 ft. 3 in. circumference pumpkin and he walked away with a fine clock; and ugliest pumpkin winner was Henry Ballman, his prize was a handsome violin. The Versailles Republican estimated that a crowd of between 800 and 1000 spectators attended the first show.

In 1903, hardware dealer Wm. Hunter sponsored a “Colt Show” the same day as the Pumpkin Show. This added to the crowd since horse day shows were very popular. At these shows anyone could bring in their old plug and try pawning it off on some unfortunate buyer.

At the 1905 show, Capt. C.C. Briant of Versailles won first prize with his 116 1/2 pound pumpkin. He was awarded with a gold Elgin watch. It is said that Capt. Briant, a Civil War veteran, pulled off all but the one blossom on his pumpkin vine and fed it milk through a rye straw.

In 1906, Hunter, “The Hardware Man”, filled a new manure spreader with straw and placed \$5.00 worth of coins in it and pulled it in the parade. This created a stir. This was the first year that fruit, vegetables, flowers, pie, cakes, corn, etc. was added to the list of entries.

As the years went by, the show grew and grew. All kinds of entertainment was featured at the fairs: balancing acts, tight rope, juggling, bicycle, singing groups, balloon ascensions and airplane rides. For many years the high school basketball team played their first game of the year on Saturday afternoon of the Pumpkin Show.

In the 1930’s a Saturday night dance was added. The dance was held in the old gym at Washington and Second North streets.

From 1940 through the World War II years, the Pumpkin Show was discontinued due to gas and other war effort rationing. If this hadn’t happened the show would be the oldest fair of this type in the State of Indiana. Aurora Farmers Fair has that title today as they continued during the war years. The show was also canceled in 2020 due to the Covid Pandemic.

The first year for a Pumpkin Show Queen Contest was 1950. Each school in the county selected a queen candidate. Charlene Ward of Osgood was the first queen. She received a diamond studded watch from Jesse Gannon’s jewelry store in Greensburg.

In 1962, a Little Miss Princess Contest was sponsored by *The Versailles Republican*. It isn’t known what year the first parade was held, but pictures of floats can be found of parades in the early 1900’s. The American Legion sponsored a float at the end of World War I.

This is the 120th year for the Versailles Pumpkin Show which is now sponsored by the Versailles Lions Club. The show has been extended through Sunday and has added another 1 ticket ride day which is on Sunday.
