Highlight your photography talents with the Indiana Agriculture Photo Contest

During the month of June, the Indiana State Department of Agriculture will accept submissions for the 17th annual Indiana Agriculture Photo Contest. The contest is open to all Indiana residents and was created to recognize the hard work and contributions of Hoosier farmers, as well as the beauty of the state's agricultural landscape.

"Each and every Hoosier is welcome to submit an entry to the contest," said Lt. Gov. Suzanne Crouch, Indiana's Secretary of Agriculture and Rural Development. "No matter the camera equipment you own, we encourage you to submit your best images showcasing Indiana agriculture."

Participants are encouraged to submit photos reflecting the wide array of agriculture. The categories photos can be entered under are:

On the Farm: Showcasing any building, piece of equipment or activity that is a part of life on an Indiana farm.

Faces of Agriculture: Featuring those who grow and produce food, fuel and fiber in Indiana.

Agritourism: Spotlighting Indiana's seasonal and agricultural destinations, such as

orchards, wineries and farmers markets.

Conservation: Highlighting Indiana's natural beauty with landscapes, water and wildlife.

In total, ten winners will be selected: two from each category and two overall. Winners will be invited to attend a special ceremony at the Indiana State Fair, where they will be recognized and receive certificates from Lt. Gov. Crouch and Indiana State Department of Agriculture Director Don Lamb. Contest winners will also have their photographs featured in the offices of the Lt. Governor's Family of Business in Indianapolis throughout the year.

"Indiana agriculture is a beautiful thing and we are blessed to be surrounded by so much of it," Lamb said. "I look forward to seeing how that beauty is captured in this year's contest."

Contestants can submit up to five photos in digital format accommodated by a submission form for each photo. Photos will be evaluated based on creativity, composition and category representation. Entries must be submitted by 5:00 p.m. (ET) on June 30, 2024. Visit ISDA.IN.GOV for more information.

Bring the world to your home this fall

ASSE International Student Exchange Programs (ASSE), a Non-Profit, Public Benefit Organization, is inviting local families to discover the many rewards of hosting a foreign exchange student. ASSE students come from more than 50 countries worldwide: France, Denmark, Spain, Italy, Ukraine, Japan, Australia, to name a few. They are between the ages of 15 and 18 years, and they are enthusiastic and excited to experience American culture, family life, school, sports, etc. They also love to share their own culture and language with their host families, who welcome the students into their home, not as a guest, but as a family member, giving everyone involved a rich cultural experience. Host families may be single parents, couples and single persons.

The exchange students have pocket money for personal expenses and full health, accident and liability insurance. ASSE students are carefully selected based upon academics and personality, and host families choose their student from a wide variety of backgrounds, countries and personal interests.

ASSE also offers qualified American students the opportunity to learn another lan-

guage and culture by spending a school year, semester or a summer with a host family in another country.

Those interested in hosting an exchange student or becoming an exchange student abroad, should call Saphia at 1-800-736-1760, visit www.asse.com or send an email to asseusamidwest@asse.com to request more information or start the application process. Students are eager to learn about their American host family, so begin the process of welcoming your new son or daughter today. The memories and the friendship you create with your exchange student will stay with you forever.
