A new post for Versailles American Legion Post 173

KAT GROSSMAN PHOTO

Work began on a drizzly morning for the Versailles American Legion Post 173 on Tuesday, May 26. A new post is being erected outside the building to install a new digital sign, replacing the old signage. With lots of community events and new additions this year, the Legion has a little bit for everyone. You don't have to be a Legion Member to stop by and try out their new Electronic Pull Tab machines! They're open to the public during the regular legion club hours. Be sure to check out versaillesamericanlegion.org to see what Post 173 has on their agenda.
